MEMBERS CALL FOR AUCTION SUBMISSIONS

Jasper Park Chamber of Commerce (JPCC) Annual Christmas Party & Silent Auction

Submissions by: Monday, November 23, 2026

Auction Date: November 27, 2026

Where: Fairmont Jasper Park Lodge

Background

JAG has been approached by the Jasper Park Chamber of Commerce (JPCC) and a Chamber member, The Grocery People (TGP), to partner on a contribution to the JPCC Silent Auction at the JPCC Annual Christmas Party at the Fairmont Jasper Park Lodge.

This is seen as an excellent opportunity to showcase the Jasper Artists Guild by up to three selected JAG members and enhance our relationship with the local business community.

As this Auction is a Fundraiser for the JPPC, JAG has no control over the bidding process and proceeds, however TGP has a budget of $300.00. JAG has proposed that it matches TGP's contribution for a total of **$600.00 to go to the Artist**.

The total Auction proceeds will go to the JPCC.

Auction Terms

All JAG members are invited to present one, well framed and presented, ORIGINAL piece for potential inclusion in the JPCC SIlent Auction. JAG's objective will be to enter no more than three submitted pieces (one per Artist) for actual auction display and bidding.

If more than three pieces are received from JAG members overall, all submitted pieces will be subject to a jurying process by members of Friends of the Jasper Art Gallery.

Auction terms including minimum bids and bidding processes will be regulated by JPCC.

From the three featured pieces in the auction, the winning Bidder will have the option of selecting One (1) piece and the selected artist will receive a combined total of $600.00 for their artwork.

The remaining two Artists whose pieces are selected are invited to leave their pieces with JAG where they will be showcased at the Jasper Art Gallery until the time of our 'RISE Jasper' BUZZ exhibition.

Media

One (1) original per JAG artist may be submitted. Wall art, sculpture and photography to a maximum size of 24 x 24 inches will be accepted.

Framing & Display Standards as per Jasper Art Gallery Submission Guidelines

Framing and mounting choices are up to the participating artist however ALL submitted works must be ready for immediate hanging by the successful Bidder. The use of acid-free materials (i.e. matting and backboards) wherever possible is highly recommended;

Framed Artwork:

Hanging wires must be used (not string or cord or any substitution).

Wires must be secured with screw eyes or D-rings secured to the frame approximately 1/4 to 1/3 of the way down the painting.

Sawtooth hangers and 'Glass and clip' frames are strongly discouraged as most are not compatible with our hanging system and do not allow for the more professional wire hanging system.

Frames must be professional in appearance - homemade-looking or 'rustic' frames may not be accepted.

Gallery Wrap Canvases:

Wrap canvases 1.5 inch depth must have their sides painted, preferably with a solid colour, though wraparound imagery is acceptable

Signature

Each submitted piece must be signed on the front, back, or both and titled to match what you put on the Submission Form.

Insurance

There is no insurance coverage for works exhibited outside of the Jasper Art Gallery. All artwork submitted for display at external venues (i.e., outside of the Jasper Art Gallery) are submitted at the artist's own risk. JAG will take every reasonable measure to protect the artwork, but cannot be held responsible for any loss or damage that may occur.
