This Year's Theme: NO LIMITS

The 2024 Wildfires ignited an explosion of creativity in our community as people needed to 'make sense' of the devastation in a manner that facilitated their own and our collective healing. Many of the post fire events focussed on Resilience, Recovery and Healing. Jasper Artists Guild BUZZ Events were focussed on 'Creative Fire' and the ability of devastation to kindle creativity. As the Jasper community heals and rebuilds, it is time to look forward and release ourselves into a new definition of community – one that is expansive, inclusive and looks forward, while respecting and honoring what we are going through. Hence the theme for BuzzFest 2026 – No Limits
