Join us at a spirited public art show as we explore the transformative power of the Jasper Wildfire. Acknowledge the destructive potential of fire while honoring the sensitivity of those affected. Through creative expression, we aim to support the grieving and healing processes of all. Our responsibility as artists is to interpret important events in transformational ways. We invite you to be part of this journey, as we rebuild our community.

Media

Up to three originals may be submitted. Wall art, sculpture and photography to a maximum size of 48 inches on the long side will be accepted.

Submissions Forms

Please complete a *Submissions Form* from the website. Blank forms will also be available at the Jasper Art Gallery.

Background

Now in its 7th year, JAG's "BUZZ" is a multi-media community exhibit celebrating the extraordinary work of Jasper's visual artists. JAG members and non-members alike will come together at this year's themed group exhibition to share their work and gain exposure.

A key objective of the BUZZ is to stimulate membership growth for JAG and support the organization in achieving its mission of promoting awareness of the visual fine arts in Jasper.

This year's exhibition will be the basis for a community-wide arts and culinary festival that will provide cultural enjoyment and art education opportunities to residents and visitors alike.
